

ROLLS-ROYCE ENTHUSIASTS' CLUB ITALIAN SECTION

SARDINIA RALLY

Santa Teresa di Gallura (SS)

23-30 May 2026

The Mangia's Sardinia Resort near Santa Teresa di Gallura, with private beach on the Marmorata bay.

Dear Member,

the Italian Section and the Silver Cloud & S Type Register are pleased to invite all the members of the Rolls-Royce Enthusiasts' Club to join the Sardinia Rally of the next 23-30 May 2026. The rally is opened to every enthusiastic Club member.

The Emerald Coast in the north of Sardinia became famous in the Sixties thanks to the Aga Khan, who transformed it into a luxury area for tourism, worldwide famous for the clear water and unpolluted nature. In this rally the wild nature of the area will be the protagonist, with the visit of the Maddalena Archipelago, alternated to visits in traditional places of the Gallura area. Wide moments of relax and good food will not miss, as usual in the Italian Section rallies... Sardinia will be reached by ferry from the Livorno port: the journey will be in both ways during the night, reaching destination the next morning.

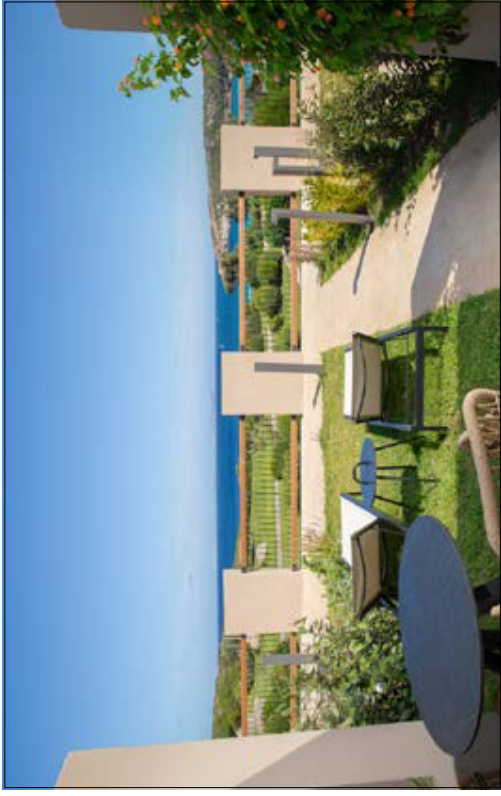

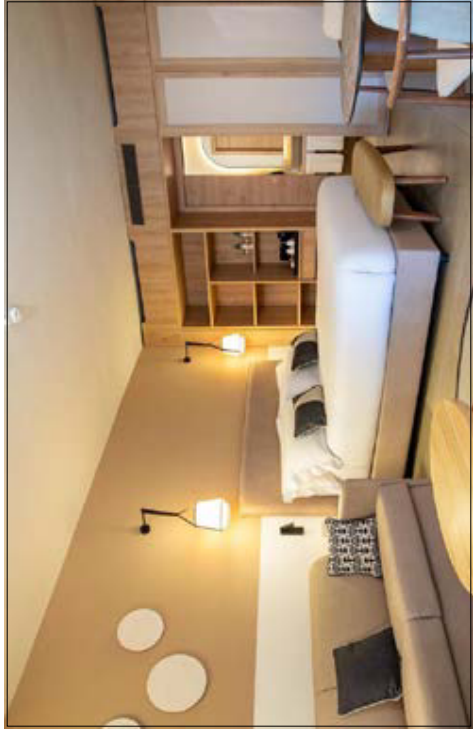

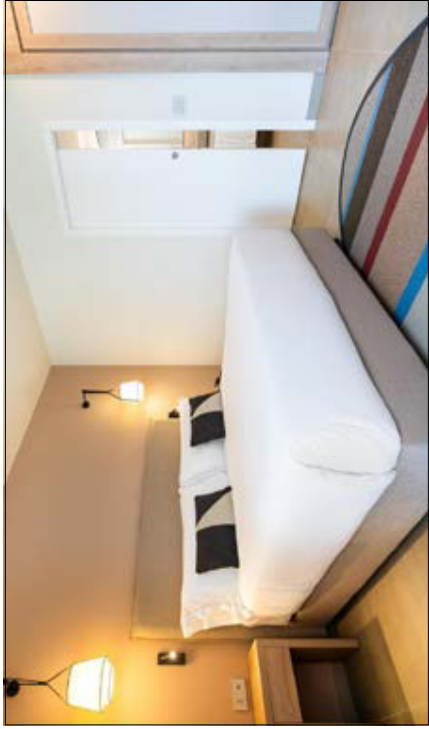

We will be accommodated in the relaxing atmosphere of the Mangia's Sardinia Resort, a five stars charming building overlooking the Marmorata bay. As you could see from the picture above, the hotel has a private beach in the bay just for us, which will be appreciated in the relaxing moments. The hotel has a private parking for our cars, a number of restaurants and swimming pool. You could get more information about the hotel on the website www.mangias.com/it/resort/mangias-sardinia-resort.

The full program of the event with all the details for booking is in the next pages. For further information, please don't hesitate to contact me.
